This campsite offers mobile homes. It is located close to the activities of the Leisure Centre, with access for a fee.

Useful information

Category : Accommodation

Detail. : Camping

Description

The campsite is located on the edge of Via Columbani.
A campsite on a human scale, where conviviality, simplicity and sharing are the key words. A water park, a river, 5 superb lakes... you will find in the Val de Bonnal all the joys of the sea in the countryside. An exceptional setting of 150 hectares of water and greenery, to reconnect you to nature during your stay.
