

Hotel Villa Garbald

Italy

Attribution : Hôtel Villa Garbald

Coffee, hotel and restaurant - the last opportunity to taste a Swiss valley open to Italy.

Useful information

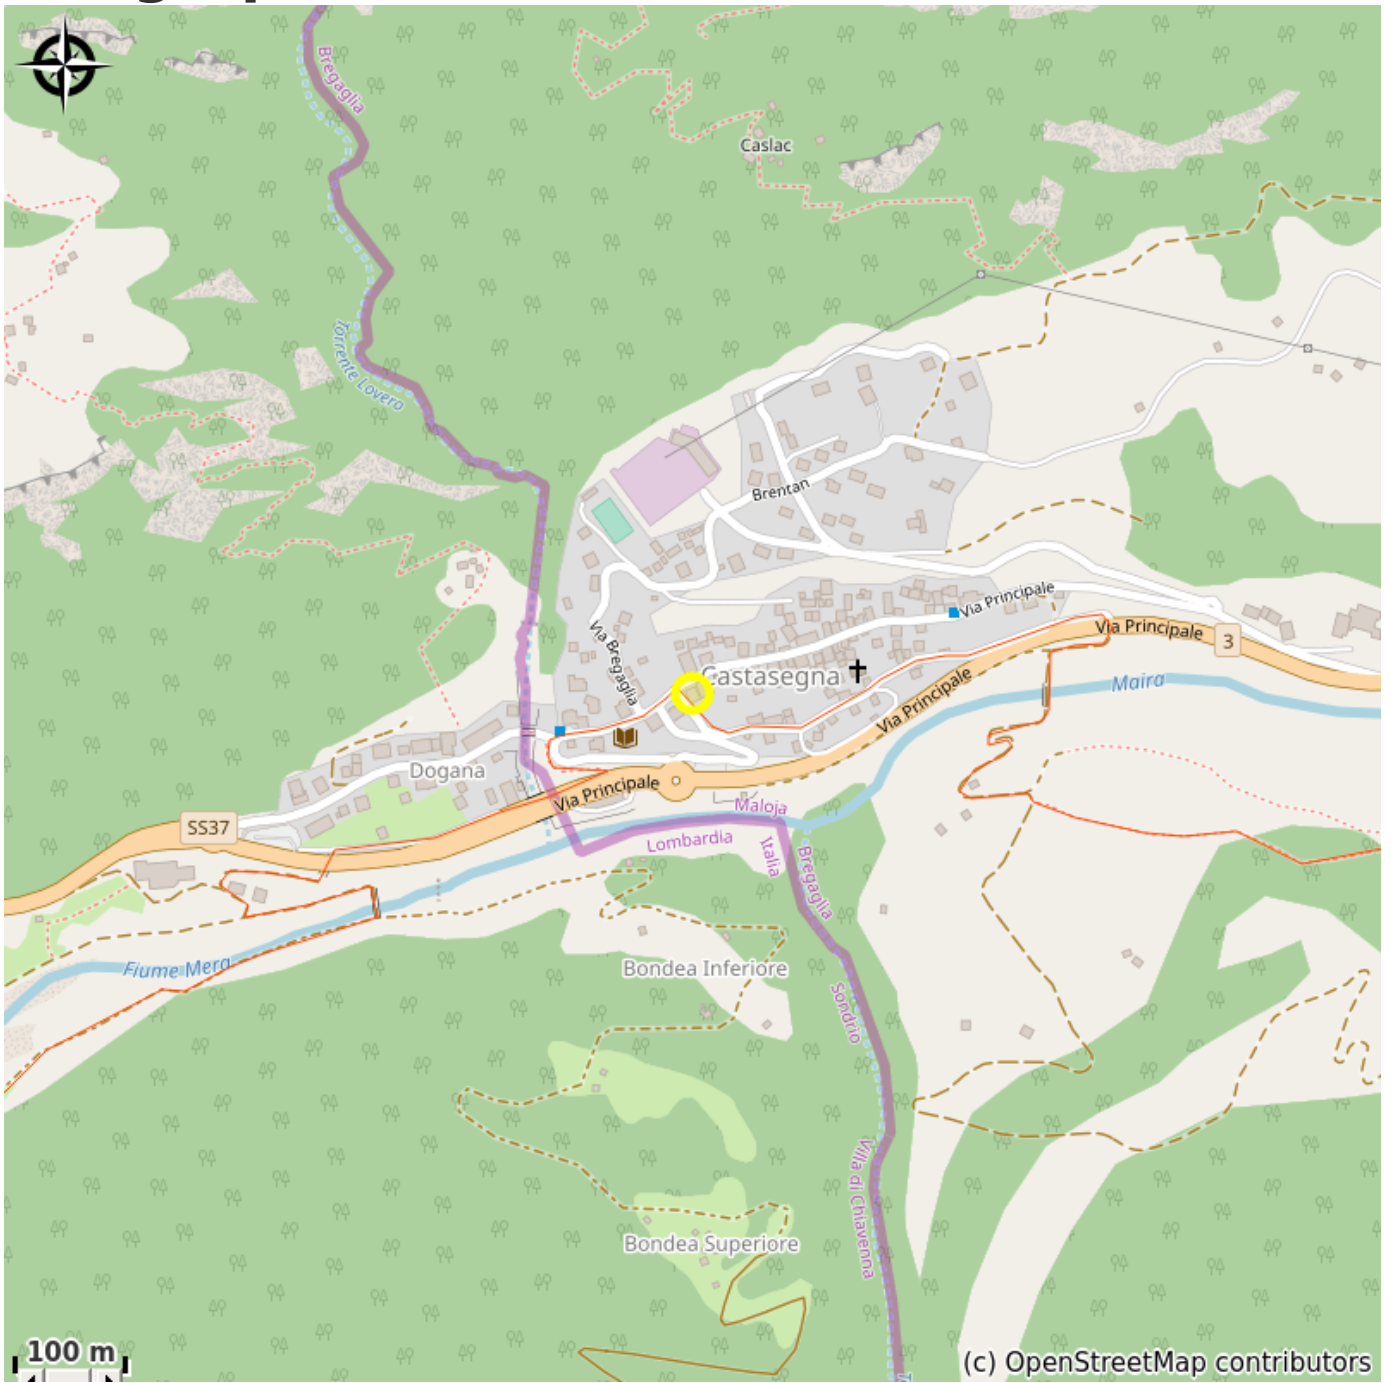

Category : Accommodation

Detail. : Hotel

Description

Located at the end of the Bergell, at the foot of the magnificent chestnut grove that rises towards Soglio and on the border with Italy, Castasegna is a particular microcosm, a crossroads where aspects of scientific, artistic and historical-cultural importance converge. Some of these date back to more than a century ago, others are current and oriented towards the future.
